

# Manage My Settlement

Welcome 

Here is a glimpse of what the tool offers:

- Review all of your active settlement setups
  - Submit a Net Settlement Information service request by answering a guided series of questions
  - Check status on a pending request
  - Save a request in draft mode
- 
- Click **Select ICAs** to display the summary columns shown below
  - Select a row, then **View Details** to display any available details
  - Select **Export** to retain a local copy of the summary columns
  - Click the  icon in the header at anytime for **Help**
